

REFUSE CONTAINERS

ON-TRUX LTD.
Roll-off Systems

On-Trux offers a full range of standard and custom refuse containers to fit all roll-off and hook lift systems, in capacities from 5 to 60 cubic yards.

Containers are available in Standard, Heavy Duty and Extra Heavy Duty models, with single or dual doors and can be easily modified to meet your individual requirements.

To date On-Trux has manufactured refuse containers for general waste, inside dividers for separating material types, divided recycling, heavy duty concrete handling, inside swing dividers for wood delivery, bolt on chipper caps and many others. In addition we offer many options and custom design.
