

SINGLE AXLE

ON-TRUX LTD.
Roll-off Systems

ON-TRUX Single Axle Roll-off Systems are designed for medium duty trucks with 25,500 lbs. – 37,000 lbs. GVWR and can be installed on most new or used vehicles.

On-Trux has raised the bar and made our hot-dipped galvanized finish the standard finish for all On-Trux systems. Pairing this with our patented Retractable Stinger makes an On-Trux system the industry's preferred choice for quality, innovation, versatility, and exceptional performance.

(US Patents 6,641,353 & 7,037,062 and Canadian Patent 2,385,129)
